## Who are we?

Welcome to **Summit Soccer Schools!** Our goal is to provide accessible and affordable soccer programming in the Fraser Valley community for ALL. Over the past 4 years we have been committed to providing players from all clubs within the Fraser Valley to come together and develop their soccer skills and understandings in a fun and engaging environment. We hope all players leave our skills camps and return to their club teams a step ahead of the competition.

Camps are designed and facilitated by local professionally certified coaches. Our staff has experience working with youth soccer players at all levels and age groups including school academies, grass roots / developmental programs, and Metro/ HPL teams.

Sessions will involve a variety of technical and tactical activities and small side games. Players will be provided with opportunities to work with coaches in 1 on 1, and in small group settings.

- Spring Break (March 16-20; March 23-29)
